

If your students plan to participate in the Region VII National History Day competition, you will be required to register as a teacher by visiting <https://register.nhd.org/contests>. You will have the option of creating a new account using Google, Facebook, or Windows Live. If you already have an account, you will be able to sign in using the same username and password. Registration for teachers for the contest will open on **November 1** of every year. Please ensure you register as early as possible because your students will not be able to register until you do. Please check the website for registration deadlines for student projects. Website and paper projects must be uploaded by this deadline. Late entries will not advance.

To register:

1) You will be asked to provide the following information:

- First and Last Name
- Address, City, State, Zip
- Phone Number
- Work Number
- Email
- Username & password
- Highest Level of Education
- Job title
- Fair role (teacher)

2) You will be asked to provide an estimate of the number of projects (group and individual in all five categories) your students will be presenting at the competition. Student projects are limited to six projects in each category; that is a maximum of 30 projects (group or individual) per teacher.

3) You will be asked to choose the name of your school from a list. If your school does not appear on the list, please contact your regional coordinator at [SaraZandi@MissouriState.edu](mailto:SaraZandi@MissouriState.edu).

Please indicate if you plan on attending the event. Finally, you must submit the following authorizations in order to complete the online registration and compete at National History Day contests at all levels. If you do not agree, please explain. These are provided below for your reference:

By indicating yes below, I agree to indemnify and hold harmless National History Day, Inc., its affiliate programs, and its staff, trustees and sponsors, for any personal injuries or property damages arising out of my participation in the National History Day Contest.

I give National History Day, Inc., its affiliate programs, and its partners the unlimited right to use the voice and/or image of me and/or my child for publicity, and/or in documentaries, or other education materials and media, including online. I also give National History Day, Inc., and its affiliate programs the right to use images of my/my child's project for teaching and example purposes, including online. If I choose "No," I acknowledge that NHD contest coordinators will do their best to ensure that I and/or my child is not photographed. However, due to the number of participants at the contest this cannot be guaranteed. I am aware that I must remove myself and/or my child from group photography situations, and if necessary, speak to the photographer/media to request that I and/or my child not be photographed.

Once you have completed the registration process, an email confirmation will be sent prompting you to follow a link to continue where you left off if you have not finished your registration. Please do so only if your registration is incomplete.

Thank you for participating in the Region VII National History Day competition.
